FROM THE

**GENERAL
MANAGER**

Hello Cooperators,

Wow, what a crazy month! Freezing cold and icy weather caused us to close for a couple of days to make sure our staff stayed safe. After that, a break in Lincoln Square's original drainage line forced us to close for another day while work crews came out to fix it. We weathered the storm and were able to get reopened but then were hit with more bad news.

Upcoming Classes & Events

Simple Meals In-person Cooking Class

Rainbow Quinoa, Bacon Salad & Focaccia

Thursday, February 8th 6:00 - 7:30 pm

Join us for an in-person cooking class taught by Co-op instructor, Adam Wisniewski of Breakfast, Life, and Dinner! In our Simple Meals series, we'll be doing quick and easy dinners that help you keep your weeknights moving. This cooking class will cover how to make delicious and quick Rainbow Quinoa, Bacon Salad, and Homemade Focaccia Bread. You won't believe how quickly you can make a delicious loaf of bread, even for weeknight meals. A grain salad and some delicious bacon-dressed greens will round out this Simple Meal.

Taste of Russia In-person Class Series

Taste of Russia - Summer Picnic at the Dasha

Tuesday, February 27th 6:00 - 8:30pm

Do a deep dive into Russian culture with instructor Paul Young as we sample a wide range of seasonal delights from a country with a fascinating history and even more fascinating cuisine.

Dashas are summer homes for city dwellers in Moscow or St. Petersburg. Because Russian summers are relatively short, many people spend most of the warmer months in the country growing their own vegetables and dining outdoors. Even though it's still winter here, we'll imagine that it's the summer solstice and prepare an evening picnic under the midnight sun with imported wines. Here are some dishes we'll be making on this festive evening:

- Caviar & Vodka Toast
- Carpathian Mushroom Soup
- Shuba (Layered Herring Salad)
- Olivier (Potato Salad)

ROUND UP FOR GOOD UPDATE

We reached an incredible feat with our Round Up For Good program this week! Thanks to our supportive Co-op community, we have raised more than **\$500,000.00** in Round Up For Good donations since we started the program in 2012! 100% of these donations have funded important neighborhood programs, food access projects, and environmental initiatives.

Thank you for all of your donations over the years. This is proof that small donations really add up.

A huge thank you to all of our Front of House staff, past and present, for helping us reach this total.

Last month we raised \$4,778.71 for Daily Bread Soup Kitchen

Mission: The mission statement of the Daily Bread Soup Kitchen is to feed the hungry of our community regardless of race, religion, or ethnicity. We welcome all volunteers to this service who share an unconditional positive regard for every human being. We provide a safe, respectful, and inviting environment in an atmosphere of hope and dignity.

Project Proposal: "We would use the funds from Round Up for Good to help with the expenses of our sack lunches. In addition to a hot meal we give all who come to our door a sack lunch to take with them. This lunch often provides our guests with an evening meal. STRIDES, previously known as Town's Center, collects sack lunches from us so their night time clients can have a meal.

The sack lunches, although basic, always include a sandwich filled with meat, cheese or peanut butter; a sweet treat and a salty. Purchasing protein, meat, cheese and peanut is our most expensive expenditure. Any support we would receive would be used for these expenses.

Since the pandemic, March of 2020, we have noted a significant increase in the number of guests we serve, meals and sack lunches provided. Thank you."

February's Round Up For Good organization is Planned Parenthood of Illinois: Champaign Health Center.

Mission: Planned Parenthood of Illinois (PPIL) is the leader in providing and promoting comprehensive, compassionate health care, education and rights.

Project Proposal: A Round Up for Good Grant from the Common Ground Co-Op will support the provision of high quality, affordable sexual and

reproductive health care at our local Champaign Health Center. PPIL's Champaign Health Center serves over 5,000 patients each year – helping to prevent unintended pregnancies through contraception, reducing the spread of sexually transmitted infections through testing and treatment, and screening for cervical and other cancers.

Caprese Spaghetti Squash

We love squash at the Co-op, and this month we're featuring spaghetti squash! Spaghetti squash is super unique because of the way it shreds after it's cooked, giving you a finished product resembling spaghetti pasta. The taste and texture are quite different from that of spaghetti, but you can use it the same way as a low-carb conduit for all of your favorite sauces! This Caprese recipe is a perfect Valentine's Day meal, equal parts healthy and indulgent, and featuring the classic combination of tomato, fresh mozzarella, basil, and balsamic.

Co+op Basics: Tofu BLT

There's nothing better than a BLT, and we've put together a delicious vegan version! Swap the bacon for smoky tofu bacon, and replace the mayo with a protein-packed chickpea aioli, and you won't miss the real thing. This sandwich features Co+op Basics products and comes out to \$4.00/sandwich!
