Owner Referral Program

Help us broaden our amazing Co-op community to include more of your friends, family, and neighbors! Encourage them to become Co-op owners with our new Owner Referral & Rewards Program. Refer a new owner and you both receive \$10 in Radish Rewards to be redeemed on in-store purchases. In order to receive the reward incentive, the new owner must pay their \$60 equity payment in full and we will contact you when your rewards have been placed on your owner account.
